ADULT TRAINING PROGRAM 2018-2019 ADMISSION POLICY

Selection of adult students will be the responsibility of the administration of Forbes Road Career and Technology Center. It will be the policy of Forbes that all course (program) announcements, guidance materials, and brochures originating from Forbes shall convey the philosophy of equal access to all students considering enrollment in its vocational technical programs. It is further affirmed that all curriculum offerings, student organization membership, and student employment practices will be handled without discrimination based on sex, race, color, religion, age, national origin, or handicap.

Enrollment in Forbes' vocational training is based on the number of vacancies in each vocational program. Vacancies will be filled on a first-come first-serve basis with priority given in the following order: 1) high school students before adults, 2) participating school district residents before applicants residing outside of the participating school districts' area.

*Any adult student with a misdemeanor or felony will need approval of the Administration and Joint School Board before entry into a training program. Forbes' relies on Act 24 as a guideline for adult students. However, the Administration and Joint School Board have the authority to deny an adult student admission into a training program based on the results of the criminal history or child abuse clearance.

Prospective students must possess a high school diploma or GED.

The Forbes Road CTC Student Admission Committee will review all applications to determine their status. Students accepted for enrollment at Forbes will be required to participate in an orientation and complete the following:

1. Adult training student intake
2. Adult emergency form
3. Adult student agreement form
4. Criminal history/child abuse clearance agreement, if applicable
5. Parking permit

Any change in student information (employment status, income, address, phone, etc.) must be reported to the adult training department promptly.

Adult Students Clearances

Forbes Road Career and Technology Center admits adult students to its regular day school secondary classes. As a result of this admission policy, adult students are in regular contact with secondary students who are of compulsory school age and, in most circumstances, are minors.

Out of a concern for protecting compulsory school age students from the risks of assault, sexual contact and corruption of their morals by adults, the Pennsylvania General Assembly has adopted various criminal background checks for employees. To further this intent, Section 1-111(e) of the Public School Code prohibits a public school entity from employing a person who has been convicted of certain crimes enumerated therein. Forbes Road believes that it would be in the best interests of its compulsory school age children to require adult students to likewise submit to the screening requirements as set forth in the Public School Code.

Adult students candidates must complete the same mandatory background check requirements for criminal history and child abuse as would a prospective employee, including the PDE Form 6004 regarding mandatory self-reporting of arrests/convictions. These results will be evaluated by administration before acceptance into the programs.

No adult student subject to this policy shall be enrolled in the regular day school program where the report of criminal history record information indicates the prospective adult student has been convicted of one or more of the offenses set forth in Section 1-111(e) of the Public School Code of 1949, as amended.

Forbes Road recognizes that due to time constraints often resulting from the availability of Federal and State grants, the timeliness of adult student referrals will not enable a pre-admission screening by way of the report of criminal history record information. In such cases the adult student may be admitted with the expressed understanding that upon receipt of a report of criminal history record information indicating convictions set forth above, such an adult student's enrollment shall be terminated.
