Students who have returned a registration form and paid for the course/exam will be contacted about a week before the start date and reminded of the following:

- Category I students are reminded to bring the Vehicle Equipment & Inspection Regulations (PUB 45) to class all three nights.
- Those registered for additional Categories must review the Inspection Study Guide on the Penn Dot website for their category.
- Those who are **only** registered for additional Categories can report to class on the last night at 4:30PM instead of 2:30PM.
- Please send a picture of your PA Driver License to brandis@forbesroad.com prior to class.
